

Purpose of the Workshop

Purpose of the Workshop

The purpose of this workshop is to present preliminary concepts under consideration and obtain input from the public by:

- **Explaining** the need to improve the transportation system on the south and west sides of the City of Dover.
- **Sharing** preliminary information on environmental and cultural resources within the study area, as well as demographic and traffic information.
- **Providing** you with an opportunity to review the preliminary concepts and offer your ideas.
- **Sharing** the Working Group's opinions on the advantages and disadvantages associated with each concept.
- **Seeking** your comments and suggestions.

Feel free to ask questions of project team members and write down your comments, suggestions and concerns on the comment cards.

No decisions have been made. No preferred concept has been identified. The preliminary concepts will be studied and alternatives will be identified, developed, screened and evaluated with extensive public and resource agency participation.
